

# Seafin

She is an elegantly crafted 75ft gentleman's motor yacht and is the most successful charter boat on the south coast. For corporate or private entertaining it is the perfect venue

## *Cruising*

Seafin takes its guests on day cruises around the Solent – it brings together all the ingredients for that perfect day out and creates a package that is irresistible. We think about what is most important for you, both as an individual and also as a potential host: we think we have the right balance.

## *The Boat*

Wooden construction, beautifully refurbished, generous of space, comfortable for up to 30 guests, hi-spec galley and state-of-the-art equipment from the loos to the ceiling mounted projector. Seafin has high powered jetskis permanently on board!

## *The Service*

Our professional skippers are excellently trained and have years' of experience with Seafin. Our crew are able and friendly whether they are serving you food or helping you board the jetski. You are in safe hands and you know it.
